Dear Friends,

The people of St Barnabas Limassol warmly invite you to join them for a peaceful, prayerful afternoon together in the beautiful surroundings of Troodos—on 2 August 2026, from 3pm. All are welcome. *(Maps location provided below.)*

Fr George shares the following details:

The excursion will begin with a picnic at 3pm, offering a wonderful opportunity to enjoy one another's company, share food and strengthen the friendships that make our church community a place of welcome and encouragement.

This will be followed at 5pm with Taizé Prayer at St George-in-the-Forest. In the quiet rhythm of simple chants and silence we will gather to rest in God's presence. Together we will sing beloved hymns such as Ubi Caritas, Bless the Lord my soul and other meditative chants that have touched hearts around the world.

Whether you join us for the whole afternoon or only for the picnic or prayer service, we would be delighted to welcome you.
